SUMMER CAMP RULES FOR CAMPERS

Introduction

The Meadowvale East Apostolic Church (MEAC) camp rules are guided by a spirit of love, respect, and care for every child entrusted to us. We believe that fun and enjoyment flourish in an environment rooted in Christ-like character, safety, and mutual respect.

MEAC rules are not simply regulations - they are reflections of our commitment to provide a space where children can grow in faith, build meaningful friendships, and experience the joy of God's creation. By upholding these standards, we aim to ensure the well-being of all campers while staying true to the Christian values that shape our camp experience. Please note that MEAC reserves the right to update, amend, or enforce camp rules at any time, with or without prior notice, in the interest of camper safety and the integrity of our mission.

General Camp Rules

- The use of tobacco, alcohol or illegal drugs is not permitted at any time on the Church grounds or while camp is in progress (e.g. field trips).
- Campers are required to share the responsibility of maintaining the camp facilities. Campers are asked to help keep the grounds litter-free.
- Campers are encouraged to handle the property of others with reasonable care. Campers will be held personally liable for damage to another camper's property or the camp facilities.
- Pranks will not be tolerated as they often pose significant health risks. Campers violating this rule will be liable for damages and subject to disciplinary actions, which may include suspension from future camps.
- As a rule, campers are expected to maintain a modest appearance, in accordance with our "General Dress Code Guidelines" (below). If this guidance is contravened he/she will be expected to change

General Dress Code Guidelines

As a Christ-centered camp, we encourage modesty, dignity, and self-respect in accordance with biblical values.
